REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: the instant application is deemed to be directed to a nonobvious improvement over the invention patented in US Patent 5,959,302. The improvement comprises in combination with other recited elements, a supplementary layer formed on an additional electrically insulating layer, the additional electrically insulating layer being formed on the last layer of the converting material, located at the second face of the block, wherein the supplementary layer is made of an electrically conducting material configured to absorb the secondary particles created in the last layer.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Shun Lee whose telephone number is (571) 272-2439. The examiner can normally be reached on Tuesday-Friday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, David Porta can be reached on (571) 272-2444. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
